## **SECTION TWO**

### **INITIATIVE INFORMATION**

**NAME OF INITIATIVE/PROJECT:** “America’s Future Is Drug-Free”: “Drug-Free Through Honor”, “Drug-Free Through Education”, “Drug-Free And Aiming High”, “Partners In Flight”, “CAP Is Drug-Free, Ask Me” (CIDFAM)

**START DATE:** 1 OCT 97 – 15 SEPT 98

**DESCRIPTION OF INITIATIVE/PROJECT:**

Drug-Free Through Honor: series of Color/Honor guard performances and a final competition promotes honor and esprit de corps. Enhances CAP recruiting efforts.

Drug-Free Through Education: will make people more aware of the dangers of drugs and addictions through the use of peer briefings, education booths, distribution of related materials

Drug-Free And Aiming High: a program that will use Rocketry and CAP’s well established Aerospace Education system to promote interest in the Civil Air Patrol and away from drugs.

Partners in Flight: Is a program that will promote competition and excellence through competition. Two cadets from each outer island squadron will have transportation provided to either a powered or glider encampment on the island of Ohau.

CAP Is Drug-Free, Ask Me: is a program that will have cadets in uniform, briefing their peers on the attributes of being a member of CAP. Becoming involved in CAP and away from drugs. Bumper stickers will be distributed.

**LIST HOW THE INITIATIVE/PROJECT BENEFITS THE CAP AND COMMUNITY:**

“America’s Future Is Drug-Free”: The primary purpose of DDR in the Hawaii Wing is give youth positive opportunities other than drugs and drug-related crowds, users and activities. A three phase/segment approach will be used: 1. Activities – giving kids a positive alternative, with a variety of activities to get involved in, 2. Education – making kids and parents aware of the dangers and signs of drug abuse, 3. Peer influence – Other children have a great influence on their peers. Our plan will capitalize on this and run peer briefings throughout the school year.

**DESCRIBE WHO AND HOW MANY WILL BE SERVED BY THIS INITIATIVE:**

Target or Goal exposure/involved numbers are as follows:

|                 |   |
|-----------------|---|
| Cadets:         | 60  |
| Senior Members: | 20  |
| Parents:        | 100   |
| Youth:          | 500-700 (200-300 Military dependents, Guard, Reserve) |

The Drug-Free Through Honor program will allow one set of Honor Guard equipment per island: Hawaii, Ohau, Kauai, and Maui. Squadron honor guard will practice a minimum of once/week and have no fewer than 6 performances for the year. The year end will culminate in a Wing-wide competition. The teams will be four-cadet teams, with alternates.

### **SECTION THREE**

### **INITIATIVE'S EVALUATION**

#### **LIST GOALS AND OBJECTIVES OF THE INITIATIVE/PROJECT:**

- A. Drug-Free Through Honor: minimum of 4-cadet teams, each outer island will be represented (Hawaii, Kauai, Maui), six performances throughout the year. This program will increase esprit de corps.
- B. Drug-Free Through Education: DDR handouts and promotional items – to be given as prizes at cadet & senior meetings, materials used in conjunction with and for distribution at public gatherings and base open houses.
- C. Drug-Free & Aiming High: Will be a rocketry/aerospace education program with money allocated to each squadron to conduct a two-weekend course. Session 1 will be kitbuilding, aerospace education, and presentations. Session 2 will be team-building concepts and rocket launching activities.
- D. Partners In Flight: Travel distances between islands and over water are a great challenge in Hawaii to cadet participation. This program will allow a minimum of 2 cadets from each squadron to participate in powered and glider encampments usually held on the island of Oahu.
- E. CAP Is Drug-Free, Ask Me: will have cadets in uniform briefing classmates and peers on the opportunities within CAP. Funding for this program allows for purchase of materials and transportation to schools

#### **HOW IS THE INITIATIVE/PROJECT'S PERFORMANCE EXPECTED TO BE MEASURED?**

Each activity will measure how many cadets and senior members are involved (audience- presenter/performer) and how many youth, parents, public, etc. are being reached (audience)
